February 2008

Vol 2 Number 1

Would you like to look 15 years younger?

In addition to our daily giveaways in February, we're marking our 15th anniversary with a 15-Year-Younger Challenge!

From February through December 2008 you can join our challenge and receive free evaluations of your makeup techniques and skin care, and a free wardrobe analysis to help you discover things you can do to turn back the clock!

To enter simply fill out our form online at [KBTX.com](http://www.fitzyou.com), or print and fill out the entry form from our website at http://www.fitzyou.com/15_year_younger_form.htm and bring it by

Morgan Fitzgerald's. Or, you can also come by the store and fill out an entry form.

Bring a photo of yourself about 15 years ago. We will copy it while you wait and take a new photo of you. We will analyze both photos and develop a customized plan to help you achieve the 15-Year-Younger Challenge.

In addition, we will provide a free skin care treatment session each month. Throughout the year we will also offer free sessions with guest speakers that will help you identify things you can do to keep your body feeling young.

We think everyone will be a winner, but we will choose a 1st, 2nd, and 3rd place winner. Gift certificates of \$500, \$250, and \$100 will be awarded respectively. Thanks for joining us in the 15-Year-Younger Challenge!

Style and quality at a sensible price

John Medeiros jewelry is fabulous!

With John Medeiros you get style similar to David Yurman jewelry at a fraction of the price.

John Medeiros' designs are handcrafted by fine jewelers. The finest non-precious metal alloy is crafted and finished with the same methods used in fine jewelry. A silk-like finish, smooth to skin and fabric is achieved through extensive hand polishing.

This jewelry line is a great value compared to 14KT gold, sterling silver or costume jewelry in the same price range. The styling is timeless, the design detail is unmatched, the construction is for life; it will not tarnish and can be passed on to a friend or relative.

Nancy's helpful hint

Use Forever New Fabric Care Wash to wash anything with elastic. The product is one of the few washes that does not adhere to the fibers of the elastic helping the elastic to stay stretchy. Forever New is a pure, organic and biodegradable fabric wash formulated to gently clean, brighten and promote longer life in all fine washables. It safely cleans lingerie, hosiery, swimwear, silks, woolens and other colorfast delicates.

Gloves In A Bottle is a

shielding lotion that bonds with the outermost layer of skin cells to turn it into what works like an invisible pair of gloves. These "invisible gloves" prevent dry skin by helping to keep moisture-robbing irritants out while better retaining your skin's own natural moisture.

LUXIVA Foundation Primer

is Merle Norman's new undercover wonder! This lightweight formula invisibly creates a smooth and even surface for flawless makeup application.

Fight your nightsweats with Wicking J sleepwear

We've discovered an absolutely fantastic sleepwear line: Wicking J.

This beautiful and functional line of sleepwear is designed to relieve the discomfort of night sweats. The unique quick-drying, patented fabric "wicks" away the wetness from your skin, so you wake up dry, not drenched!

But, Wicking J is comfortable for everyone whether or not you have night sweats. It is thermal regulating. It makes you warm when it's cold and cool when it's warm. The fabric keeps its wicking properties even after multiple washings.

Bra-llelujah!

Spanx introduces a new bra with underwire support! Drop in and try on this exciting new style with smooth, soft, molded cups that provide uplifting support and full coverage.

February is National Heart Disease Awareness month

According to the American Heart Association a healthy diet and lifestyle are the best weapons you have to fight cardiovascular disease. As you make daily food choices, base your eating pattern on these AHA recommendations:

- ♥ Choose lean meats and poultry without skin and prepare them without added saturated and trans fat.
- ♥ Select fat-free, 1-percent fat, and low-fat dairy products.
- ♥ Cut back on beverages and foods with added sugars.
- ♥ Choose and prepare foods with little or no salt. Aim to eat less than 2,300 milligrams of sodium per day.
- ♥ If you drink alcohol, drink in moderation: one drink per day if you're a woman and two drinks per day if you're a man.
